VOYAGER 3200 SERIES

Available in select bundles

Connect to life on the go

When your days are non-stop, slowing down isn't an option. But just because the world is your office doesn't mean it has to look—or sound—that way. Voyager 3200 Series has a sleek, discreet design and 3-mic noise-cancelling technology, giving you the confidence to talk anytime, anywhere. Designed to keep pace with your busy schedule, it's easy to put on and take off, and its advanced audio management keeps you in control of the conversation. When it comes to connecting to life on the go, Voyager 3200 Series answers the call.

TOP FEATURES

- In-ear design provides a wearing style that's easy to put on or take off
- Precision tuned triple-mic with enhanced DSP delivers superior noise cancellation
- Smart sensors answer calls by simply putting on the headset
- Dynamic mute alert senses and alerts you when you begin to speak while muted
- Up to 98 feet/30 meters of wireless range from supported Class 1 Bluetooth devices
- Portable charging case provides up to 10 hours of additional talk time (available in select bundles)
